Legendary German Punk Pioneers, founded by charismatic singer Peter Hein (later: Fehlfarben) in 1978.

Subversiv, aggressiv and with bitter humour, sharp statements to the situation of society and politics in germany of the late 70s.

The music is slower, more dub-influenced, than thy typical uptempo punkrock of those times...

Peter Hein – vocals / Franz Bielmeier- guitar / Thomas Schwebel - guitar / Markus Oehlen - drums

The album was originally released on Pure Freude as a double 7".
Remastering 2014, first and final pressing of 1000
